Mayor Knight informed the council that Dr. Hughes is looking for a building that he can use to start a recreational youth and family center. He said they are in need of the use of a large room or building.

The activities within the facility would incorporate fun filled recreation with an emphasis on building life skills, healthy role models and positive goal setting.

He said he is planning on talking to the county about the large room at the fire department.

KEVIN ARMSTRONG – BUILDING PERMIT ISSUE

Mayor Knight advised Kevin Armstrong that the building he has is allowed in the R1 zoning district but what he wanted to do with it is not. He advised Mr. Armstrong that if we amend the ordinance then we get rid of the residential district in Rutledge.
